

Design Notes

The screenshot shows the Apibrew dashboard for the project 'ede550'. The top navigation bar includes 'Notifications', 'Feedback', and 'Help' buttons. The main header says 'Welcome back, Taleh Ibrahimli' and 'Let's build your backend with Apibrew!'. Below the header are sections for 'Youtube', 'Faq', 'Community', and 'Documentation'. The central area displays 'Requests' (a line chart from Sat 05 to Tue 15), 'Nano Executions' (empty), and 'Storage' (empty). A 'Client libraries' section lists 'JavaScript / TypeScript', 'React', and 'Spring Boot' with their respective icons and descriptions. At the bottom, there are links for 'Back to projects', 'DocumentationTutorials', and a note about opening the page in a new tab.

1. Margin problem
2. Margin Problem
3. Wrong color on the line
4. Wrong color on the line
5. Line is not touching to horizontal line
6. Increase margin
7. Shadow problem on button group
8. Buttons problem (Documentation and Tutorials)
9. Margin problem between menu items
10. Color mismatch in menu levels
- 11.

The screenshot shows the Apibrew studio interface. The top navigation bar includes 'Verify identity - Coinbase', 'Apibrew Studio', and 'Apibrew Studio'. The left sidebar contains icons for Home, API Resources, Developer Tools, Users & Roles, Storage, and Monitoring. The main workspace displays a message 'Please select a resource from the left panel'. A green arrow points from the bottom-left towards the top-right of the workspace area.

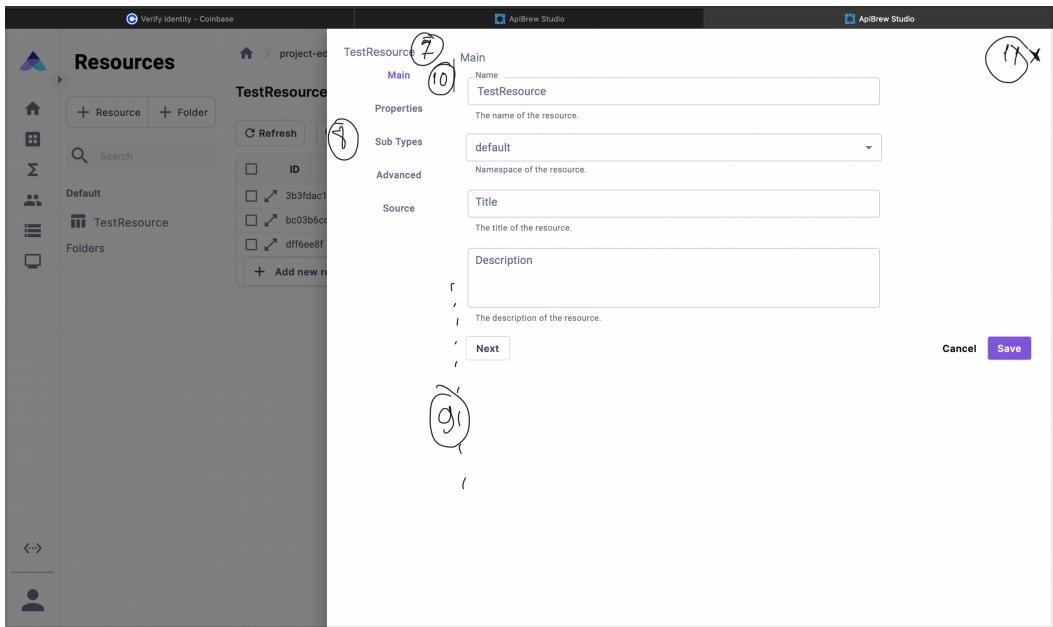

The screenshot shows the APIBrew Studio interface with the following details:

- Header:** Resources, project-edc550, API Resources, Notifications, Feedback, Help.
- Resource List:** TestResource #cde8b7bc
- Actions:** Refresh, Search, Add new record, Filter, Sorting, Update Resource.
- Table Headers:** ID, (1).
